FOUNDATION

Partnership Application

Thank you for your interest in partnering with our foundation.

We are honored to support non-profit organizations throughout the communities we serve and aboard. McGuinn Homes Foundation exists to grow God's Kingdom by investing in growth-oriented non-profits that transform lives by serving the most marginalized in their communities worldwide. Our grants and consulting multiply ministry through accountability and BaaM (business as a ministry) disciplines to help grow our partner agencies.

Our core values direct decision-making for us and the people we serve. **We will live out the core values by stewarding generosity by multiplication.**

- **Stewardship** we understand who the owner is of all our resources. We partner with growing non-profits that serve others with accountability, transparency, and an eagerness to do more.
- **Growth** We believe in personal and professional growth and that all God's gifts should be multiplied. We are a partner for growth for those we serve.
- **Generosity** We believe generosity and growth are biblical commands; we partner where shared values ensure the fair treatment of everyone in our ministry and those ministries we serve. We shepherd generosity in measurable ways.
- **Sustainability** We will help create sustainable resources for ourselves and our partners through ministry best practices to ensure we are dependable in serving the marginalized and that donors can trust that we use their resources wisely.
- **Balanced** life integrates the Gospel message and commands into our daily living. Matthew 11:28-30 shows us that the work is easier when we are equally yoked with each other and Jesus. We pledge to be yoked with our partners and Jesus to ensure a balanced relationship.

McGuinn Homes Foundation is also partnered with another non-profit called Mission Increase (Mi). The purpose of this partnership is to equip nonprofit ministries to achieve their missions, minister to their communities, and grow God's Kingdom. Mission Increase is a nonprofit ministry dedicated to empowering other nonprofits by offering free workshops and coaching in key areas such as fundraising, marketing, event planning, strategic planning, and board development. These are offered to partner organizations at no cost. As part of our holistic support concept, we strongly will require organizations to take measurable steps towards this valuable training and the many resources that Mission Increase provides.

Partners will be required to complete the following objectives with mission increase by the end of the first year to qualify for funding in the second year:

- Intro to Biblical Fundraising/Mission Increase 101
- Key Message (Case for Support)
- Donor Development Strategy (PEO Chart).

After the first year of funding, partners will be required to complete the following objectives with Missions Increase by the end of the second year and beyond:

- Year-End Campaign
- Annual Funding Plan
- Strategic Plan
